

# Ahmed Althary

## Web Developer

Graduated with a Bachelor's degree in IT from Sana'a University's College of Computer Science and Information Technology, with a distinction. With 2 years of experience in Web Development, I aspire to achieve tangible success in this field. I am constantly seeking to expand my knowledge and enhance my skills through staying updated with technological advancements and participating in inspiring development projects. I also believe in the importance of teamwork and effective communication with teams to achieve common goals
